## (Verse 1)

**D** **A** **Bm** **G** **D**  
Down on my knees again today, seeking Your face as I pray.  
**Em** **G** **A**  
Cause I need Your strength to get me through this place.  
**D** **A** **Bm** **G** **D**  
Your presence drawing near, driving away all that I fear.  
**Em** **G** **A**  
You comfort me; Your word is all I hear.

## (Pre-Chorus)

**Bm** **A** **G** **A** **Bm**  
You picked me up, set me down, placed my feet on solid ground.  
**G2** **A**  
All I need is You today.

## (Chorus)

**D** **A** **Bm** **G**  
Holy God, Holy Son, Holy Spirit You're the One.  
**D** **G** **Em** **A**  
To pull me from the desert sand, And lead me to the promise land.  
**D** **A** **Bm** **G**  
Holy God, Holy Son, Holy Spirit it's Your love  
**D** **G** **Em** **A** **D**  
That draws me out of the night, through the darkness to Your light, Holy God.

## (Verse 2)

**D** **A** **Bm** **G** **D**  
When I call upon Your name, I feel your Holy Spirit rain.  
**Em** **G** **A**  
You flood my soul and heal this broken heart.  
**D** **A** **Bm** **G** **D**  
Surrounded by Your love, raining down from above.  
**Em** **G** **A**  
I know now Lord that we will never part.

## (Pre chorus)— (Chorus)
